Yea there was a lot of disconnect, because bronson never said anything about not using Actek, which is where some of our debt is right now.

That was cleared up today when Yoel and myself got on the phone with bronson and anslow.

Waiting on verification from Richard Anslow on whether our aged paper will have a 1 year holding period.

The plan is to use Mag-well and Media Way, with your approval, due to the fact that Media Way has a lot less forms to be filed to make it current. Media Way is also Bronson's available companys.

The steps are as follows: transfer debt from Actek to Media Way, do the reverses for Media Way and Mag-well, file form 15's to bring to Pinks initially, then registration.
